SIR:

Enclosed herewith is a petition to extend the period for the response by three months.

Formal drawings are also enclosed herewith together with a letter to the draftsman.

In response to the Official Action dated 06/22/01, please amend the present application as follows (see specification, see claims 1, 2.....), Abstract,

B₁
1. A loading platform system for mounting on vehicles having support frames, particularly trucks, comprising a lift support arrangement consisting of two essentially parallel spaced support structures, an essentially plate-like loading platform for lifting and lowering a load, at least one lift actuating device for lifting and lowering the
